Lake Park  
Office of the Town Manager*

**PRESS RELEASE FOR IMMEDIATE RELEASE**

**Lake Park, Florida. June 16, 2004.** The Town of Lake Park has announced that the Lake Park Harbor Marina was a recipient of a Beacon of Light Award from the Marine Industries Association of Palm Beach County at its awards dinner on June 15, 2004, held at the Old Port Yacht Club in North Palm Beach, Florida. The basis of the award was Lake Park's exemplification of what government should be doing to protect the quality of life for the residents and the boating public of Palm Beach County. The Lake Park Harbor Marina is a municipal marina undergoing a total renovation which, when complete, will provide public access to the waterfront overlooking the Lake Worth Lagoon.

In accepting the award on behalf of the Lake Park Harbor Marina, Lake Park Mayor Paul W. Castro gave credit to all citizens of the Town of Lake Park who supported the decision to maintain the marina as a public facility and committed the dollars necessary to rebuild and improve it. Mayor Castro also acknowledged Florida Inland Navigation District Commissioner John Booth for his organization's generous and consistent grant support for the project which to date has totaled \$1,486,000.

For more information, contact J. Douglas Drymon, Town Manager, at 561-881-3300.
